Be aware of scam activity. Recently, scammers have spoofed one of PSE&G's phone numbers in an attempt to obtain personal information. If you receive a phone call from a PSE&G number asking you to schedule a meter reading, offering a bill reduction and/or asking for personal information, hang up and call us at the number provided on your bill or 800-436-PSEG (7734). Safety is our top priority. We want to make sure you know what to do if you smell gas. Natural gas has a distinctive odor that smells like rotten eggs. If you smell gas, act fast. Leave the area immediately. Call 911 or PSE&G at 800-880-PSEG. Do not assume somebody else has already called. For more information, visit pseg.com/smellgas.

Stay connected during hurricane season! Sign up for MyAlerts to report power outages via text message, as well as receive outage updates by text and email. For more information, visit pseg.com/myalerts.

Call before you dig when starting a major project that involves digging. Even if you think there is no underground equipment on your property, you must call the New Jersey One-Call Center at 1-800-272-1000 or 811 three business days before any work begins. It's the law.
